BICYCLE SAFETY

No matter where you are riding, keep these tips in mind for a safe and fun bike ride.

- Always wear your helmet and obey traffic signals and stop signs.
- Ride with traffic. When sharing the road with cars, please keep to the LEFT of the road.
- Think ahead. Watch for turning vehicles and parked cars. Signal your turns and check behind you before changing lanes.
- Look ahead for debris, road hazards and potholes.
- Make sure your tires are full of air, brakes are in working order and your chain runs smoothly.
- Night Ride: white light in front, red light at the back.
